Alibek Babayan's family

On behalf of Habitat for Humanity Armenia and especially on behalf of the Babayan and Avagyan families THANK YOU for choosing Habitat for Humanity and Armenia as the means to make a difference in the lives of two Habitat families.

You were a wonderful team, giving so much to the people, embracing the Babayans and Avagyans, contributing to the mission of Habitat and setting an example with your dynamism. Thank you!

What the family members said:

“The children have grown up and it is no longer possible to live in these conditions. We are happy to have been selected to partner with Habitat. It would take us 20 more years to finish our home by ourselves,” Kamo says. Ruzanna said, I am very happy we have the opportunity to share different cultures, customs and traditions with foreigners who will soon be a part of my family.”

A Call for Action

We have designed 3 new and 2 scale up projects for FY 2012. Through these projects we plan to serve more than 400 families bringing the total number of families served up to 1086 by the end of FY 2012. We believe that together we can achieve this, thanks to your support through donations and your volunteers' efforts. Help us turn hope into homes. We welcome any size of contribution which will immediately go toward serving families.
