**On behalf of Habitat for Humanity Armenia and especially on behalf of the Davtyan family THANK YOU for choosing Habitat for Humanity and Armenia as the means to make a difference in the lives of a Habitat family.**

**You were a wonderful team, giving so much to the people, embracing the Davtyans, contributing to the mission of Habitat and setting an example with your dynamism. Thank you!**

**What the family members said:**

**"It is very appreciable that there are people in today's social system, who are eager to extend a hand up to needy families in Armenia," says Nahapet.**

**"I expect volunteers to come with a magic wand in their hands and wholly change our lives," says ten-year-old Tatevik.**

**Before**

**After**

For about 17 years the Davtyan family shared their ancestral home with a larger family. The family includes Nahapet (42), his wife Gayaneh (40) and their children Khachik (15) and Tatevik (10). When the families expanded with the children growing up, it was impossible to share the house. To find the best solution to the problem Nahapet added a room to the current house and they temporarily moved in, but live there up to this day.

Later Nahapet was inherited a half built house by a distant relative but could never afford to complete it. In the course of years the family managed to make some minor changes on their own. Nahapet has always tried to apply for other loans but they were all beyond his affordability. The Davtyans lost all their hope to have a simple, decent and affordable home until they heard about Habitat Armenia.

### **A CALL FOR ACTION**

To be able to serve more families, HFH Armenia is seeking friends among its friends and partners. We believe we can achieve that thanks to your support through donations and your volunteers' efforts. We welcome any size of contribution which will immediately be used towards serving families. Help us turn hope into homes.
